April Showers Bring May Dollars!

Get out your umbrellas—it's raining money at WCM Townhomes! Simply pay your rent online and ontime (by 4/3/2014) and you'll automatically become eligible for our next Early Bird drawing. **One lucky resident will receive a \$20 Starbucks Gift Card!**

Who Is That?

You may have noticed new faces around the office. We're pleased to announce that Joyce Ray and Kurt Arnott have joined us as our new Resident Managers. Joyce and Kurt have much to offer our community and are enthusiastic about getting to know each of our residents. We invite you to stop by the office to say hello.

Fire Extinguisher Servicing

Please turn in your fire extinguishers to the office by April 4, 2014 so that we can have them serviced to ensure that they are working correctly in case of a fire inside your townhome. We will return them to you as soon as we get them serviced for you.

Let's Talk Trash!

For your convenience, trash collection is available on Fridays. Please place trash out no later than 10 pm the night before the scheduled collection days only. **Do not set trash bins outside at any other time.** Remember, trash must be placed in the trash bins and the lids must be able to close. Thank you!

Thanks, but We'll Take Care Of the Fertilizer

The maintenance staff does a great job of taking care of the lawn and gardens so our residents can enjoy the beauty of their community. We ask all pet owners to please use the areas designated or simply invest in a pooper scooper and pick up after. PetsMart.com features several products including a 48 pack of Dispoz-a-Scoop bags. Thanks for being a thoughtful and responsible pet owner.

Driving is No Time to Multitask

It's no surprise that talking on the phone while driving is distracting. But now researchers at the University of Warwick have quantified it. A mobile phone conversation impairs a driver's visual attention so much that it can add more than 18 feet to the braking distance of a car traveling 60 MPH and cause 83 percent more errors in driving. What's more, these findings apply even to drivers who are merely listening on the phone and using hands-free devices.
